# SUPPORTING CAST CHECKLIST

The GM should put a check in the column when the NPC has appeared in the episode. One or two NPCs without checkmarks should "guest star" in the next mystery, if possible. Once that row is full of checkmarks, erase it and start over.

| NPC NAME & THUMBNAIL | RELATIONSHIP (SLEUTH/REL/PTS) | ABILITIES | TROUBLE (IF ANY) | LOCATION | IN SESSION? |
|---|---|---|---|---|---|
