FATE CORE

Grab your plasma rifles, spell components, and jetpacks! Name your game; *Fate Core* is the foundation that can make it happen. Fate Core is a flexible system that can support whatever worlds you dream up.

Have you always wanted to play a post-apocalyptic spaghetti western with tentacle monsters? Swords and sorcery in space? Wish there was a game based on your favorite series of books, film, or television, but it never happened? *Fate Core* is your answer.

Fate Core is a tabletop roleplaying game about proactive, capable people who lead dramatic lives. Create your characters and develop instant group dynamics with our unique phased char gen system. Use those characters as a springboard to storytelling in our GM worldbuilding chapters.

For the Fate-familiar, take advantage of the new and improved approaches to character actions, aspects, compels, and more. With *Fate Core*, your story is up to you. But whatever you choose, you can expect a fun storytelling experience full of twists...of fate.
