Selling Points

- A unique card-stacking mechanic brings something new to the table while keeping the strategy simple for younger players
- Quick 15-30 minute gameplay keeps players engaged from start to finish
- Small and portable—makes for a good game-night filler
- An affordable new game to add to the table
- Team mode adds replayability and variety
- Fun fantasy art by Brian Patterson with amusing—not scary—dragons
- Strong online community support—over 15,000 confirmed members and growing.

Mine! All mine!

It's time to divvy up the dragons' hoard, but no one wants to share! Can you trick your fellow dragons into leaving you with the most treasure?

Greedy Dragons is a simple but strategic card stacking game. Overlap cards and build Lairs to collect all the gems—and leave your opponents empty handed!

Play one-on-one or team up with other dragons to maximize your loot. Add the magic ring to the hoard to raise the stakes even higher. There are plenty of options to make for hours of gold-grabbing fun!
